

# Rola **abo assa**

**Name:** Rola Abo Assa | **Nationality:** Syrian | **Date of birth:** 1992 | **Gender:** Female | **Phone:** (+963) 997 584 182 | **Email:** [rola.abo\\_asa@yahoo.com](mailto:rola.abo_asa@yahoo.com) | **Address:** Lattakia, Syria | **website:** <https://rola.m-demos.com>

## Summary

I am a civil engineer, I have previously worked on engineering design programs like AutoCAD, Revit and others.

I am fluent in both English and French. I love the education field and I have extensive experience in this field and a great capacity for ideas for students. My years in teaching have helped me to develop many skills including adaptability, flexibility, patience, and independence.

## Education

June 2016 - Tishreen University, Latakia (Syria)

**Civil Engineering Degree**

## Skills

- Microsoft Office
- AutoCAD
- Revit
- Able to work under pressure and learn new concepts

## Experience

**2018 – current: Teaching in Civil Engineering College at Tishreen University.**

Courses included:

Descriptive geometry, Management Technology and engineering economics.

**2018 – current: Teaching in Applied College at Tishreen University.**

Courses included:

Mechanical foundations, Engineering mechanics, Computer drawing, Industrial drawing, Applied Mechanics, Hydraulic-1, Hydraulic-2, Thermodynamics, Electrical foundations, Foundations of electronic engineering, Machines theory, Measurements and measuring devices.

**2022 – current: Teaching in Electrical and Electronic Engineering College at Tishreen University.**

Courses included:

Mathematics, Measurements.

## Languages Skills

Mother tongue(s): ARABIC

Other language(s): ENGLISH | FRENCH

## **Certifications**

---

Advanced Certificate in English.

## **Additional Information**

---

I have a Private driving Licence (B)

## **Recommendations**

---

I have a recommendation from DR. Ali kheirbek (supervisor in faculty of civil engineering), which will be provided when requested.
